

Growing Together Plan

Center Grove is reading the New Testament together! This reading plan is designed to help you journey through the NT reading only about 5 minutes a day, 5 days a week. Join us by jumping into this week's readings.

If you would like to go deeper, consider using the SOAP journaling method to create a devotional routine that meditates on Scripture each day.

SCRIPTURE

Select the daily passage found in the reading plan below.

Read through the passage. As you read, take note of keywords that emerge. Do your best to understand the people and events described in the text. Think about the genre and context of the passage. List anything that stands out to you.

Read through the passage a second time. On this reading, ask yourself, "What is God trying to say to me through this passage?" Look for parallels between the circumstances of the passage and the events of your own life. Journal any thoughts that come to mind. A great question to ask while contemplating the application of the text would be: "Does this passage convict, comfort, or challenge me?"

APPLICATION

Conclude your time of devotion with a word of prayer. If you are journaling, consider writing the prayer out in order to clearly articulate your thoughts. If the passage convicts you, ask God to forgive you. If the passage comforts you, thank God for His care. If the passage challenges you, ask that God would help you to meet the challenge.
